

# **Ideas2App Workshop by Google Developers Group**

## **About:**

The event is a two day workshop which shall be conducted by the Head of Google Developer Group – Pune, Shishir Vaidya and his team at Symbiosis Institute of Technology, Pune.

On the first day, you shall be exposed to the management and the procedure to follow while developing the app, say by using some charts and colors.

At the end of the day, you would have a visual image of the app they have thought of. The session on the first day will be completely conducted by Shishir Vaidya.

On the second day you will develop a prototype with the help of a brief session by the GDG Pune technical team.

At the end, the students who come up with a prototype that according to the GDG would be helpful to put up as a company would be invited to the Pune International Incubation Centre which is flourishing under the esteemed guidance of Shishir Vaidya. In a nutshell, this workshop will bring about creativity and help you get a platform to put it in the market which in turn would also enhance their career.

Entry Fee: INR 500

## **Rules:**

Rules will be discussed during the event.

## **Prizes:**

### **What will you take away with you?**

A certificate for attending the workshop and a chance to work with the Google Developer Group in their incubation center and a very valuable lesson in this field of expertise.
