

CODE RUSH

Round 1: Debugging Questions and 1 or 2 easy coding question(s). Each debugging question carries 15 points and each coding question carries 25 points.

Round 2: Scrambled code.

3 questions - 2 codes of 15 lines and 1 code of 30 lines. One point is granted for each line correctly placed. There is no disqualification in this round.

Qualification: Qualifiers for round 3 based on the total number of points scored in the first two rounds.

Round 3: Medium or difficult coding question. Difficulty depends on how well people do in the second round.

Qualification: Top 4 people qualify for Round 4.

Round 4: Buzzer quiz.
